EXPLANATORY MEMORANDUM

This is an Explanatory Memorandum to in the Notice of Annual General Meeting of Prospech Limited to be convened at Level 2, 66 Hunter Street, Sydney, NSW, 2000 on 30 May 2022 at 11.00 am.

Financial Reports

The Company's annual financial report, the directors' report and the auditors' report for the year ended 31 December 2021 will be laid before the meeting. There is no requirement for shareholders to approve these reports, however, the Chairman of the meeting will allow a reasonable opportunity to ask about the content of the financial reports.

Resolution 1 Approval of Remuneration Report

The Remuneration Report, which can be found as part of the Directors' Report in the Company's Annual Report for the year ended 31 December 2021, contains certain prescribed details, sets out the policy adopted by the Board of Directors and discloses the payments to key management personnel.

In accordance with section 250R of the Corporations Act, a resolution that the Remuneration Report be adopted must be put to the vote. This resolution is advisory only and does not bind Directors.

The Chairman will allow a reasonable opportunity for shareholders as a whole to ask about, or make comments on, the Remuneration Report.

The Chairman intends to exercise all undirected proxies in favour of Resolution 1. If the Chairman of the Meeting is appointed as your proxy and you have not specified the way the Chairman is to vote on Resolution 1, by signing and returning the Proxy Form, you are considered to have provided the Chairman with an express authorisation for the Chairman to vote the proxy in accordance with the Chairman's intention.

The Company will disregard any votes cast on Resolution 1 by or on behalf of a member of the key management personnel of the Company's consolidated group (at the date of the meeting or whose remuneration is disclosed in the remuneration report) ('KMP') and their closely related parties (such as close family members and controlled companies), unless the vote is cast:

- as a proxy for a person entitled to vote in accordance with a direction on the proxy appointment; or
- by the Chairman of the Meeting as a proxy for a person entitled to vote and the proxy appointment expressly authorises the Chairman of the Meeting to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of a member of KMP.

The Directors recommend that you vote IN FAVOUR of Resolution 1.

Resolution 2 Re-election of John Levings as a Director

In accordance with Clause 11.4 of the Company's Constitution and the Corporations Law, John Levings retires as a Director by rotation and, being eligible, offers himself for re-election.

Mr Levings gained a Bachelor of Science degree from the University of Tasmania in 1977 and then worked for several years as a field geologist and geophysicist for Anglo American Limited. In 1985, as Chief Geologist for Australian Development Limited (later re-named Normandy Gold Limited), Mr Levings was responsible for the discovery of the high grade White Devil gold deposit (760,000 ounces of gold at 14.6 grams per tonne) in Tennant Creek. In 1986 Australian Development Limited was the best performing stock on the ASX on the back of this discovery. Relocating to Indonesia, Mr Levings became a founding partner of a successful geological consultancy which was very active during the 1990s. In more recent times, he identified the Romang Island polymetallic opportunity which was acquired by Robust Resources Limited.

He is a Fellow of the Australasian Institute of Mining and Metallurgy.

The Directors recommend that you vote IN FAVOUR of Resolution 2.

Resolution 3 – Amendments to Constitution

General

A company may modify or repeal its constitution or a provision of its constitution by special resolution of Shareholders in accordance with section 136(2) of the Corporations Act.

Virtual Meetings

It is proposed that the Company's Constitution be amended to permit virtual meetings following recent legislative changes to the Corporations Amendment (Meetings and Documents) Bill 2022 which permits companies to hold virtual meetings if this is expressly permitted by the Company Constitution.

CHESS Replacement

In April 2021, the ASX provided an 'Issuer Update' to inform issuers about potential changes to their constitution or other documents and ASX's proposed data governance arrangements for the replacement of CHESS with a new system that uses distributed ledger technology (CHESS Replacement).

The ASX has said that the CHESS Replacement, which is to be known as the ASX Clearing and Settlement Platform (**CSP**), will modernise and upgrade critical market infrastructure and digitise certain processes. CSP currently has a targeted 'go-live' date of April 2023.

CHESS currently records holder details in an unstructured format and as a result of the practical 180 character limit, most constitutions (including the Company's Constitution) currently limit the number of registered joint holders to three joint holders for each security. After the CHESS Replacement, the system will have the functionality to record up to four joint holders for each security. In preparation for this enhancement, ASX has suggested to issuers that certain changes be made to issuer constitutions, by either removing this restriction or amending the limit.

Resolution 3 seeks Shareholder approval for the below noted amendments to the Company's Constitution in accordance with section 136(2) of the Corporations Act 2001.

A copy of the amended Constitution will be sent to any Shareholder on request and will also be available for inspection at the office of the Company during normal business hours prior to the Meeting.

The amended constitution will be effective from the close of the Meeting.

Resolution 3 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative). The Chairperson intends to exercise all available proxies in favour of Resolution 3.

Summary of Proposed Amendment

Resolution 3 seeks Shareholder approval to:

a) insert the following new clause with respect to Virtual Meetings:

Clause 8.4:

8.4 A general meeting may be held using virtual technology only and shareholders attending virtually are present for the purposes of determining whether a quorum is present.

A general meeting of Shareholders may be held using virtual technology only and Shareholders attending virtually are present for the purposes of determining whether a quorum is present.

b) amend clause 2.9 to increase the maximum number of registered holders of a share from three to four.

The Directors recommend that you vote IN FAVOUR of Resolution 3.

The Chairman of the Meeting intends to vote undirected proxies IN FAVOUR of each Resolution.
